NOTICE OF ANNUAL MEETING OF SHAREHOLDERS

NOTICE IS HEREBY GIVEN that the annual general meeting (the “**Meeting**”) of the holders (“**Shareholders**”) of common shares (“**Common Shares**”) of Converge Technology Solutions Corp. (the “**Company**”) will be held via teleconference by calling the following Toll Free number: 1-888-886-7786 and entering the following Conference ID number: 51896541, on June 23, 2022 at 11:00 a.m. (Toronto time) for the following purposes:

- (a) to receive the audited consolidated financial statements of the Company as at and for the year ended December 31, 2021, together with the auditors’ reports thereon;
- (b) to elect directors of the Company for the ensuing year;
- (c) to re-appoint the auditor of the Company for the ensuing year and authorize the directors of the Company to fix the auditor’s remuneration; and
- (e) to transact such other business as may properly be brought before the Meeting or any adjournment(s) thereof.

The accompanying Circular provides additional information relating to the matters to be dealt with at the Meeting. The directors of the Company have fixed May 16, 2022 as the record date for determining those Shareholders entitled to receive notice of and vote at the Meeting.

This year, the Company has once again decided to hold the Meeting virtually due to the continuing impact of the coronavirus (“COVID-19”) pandemic. Given changing public health guidelines and restrictions respecting large group gatherings, it is unclear whether it will be safe for the meeting to be held in person this year. As a prudent step to ensure the health and safety of Shareholders, employees, directors and other stakeholders, the Company will once again be holding the Meeting via teleconference. Shareholders will be able to participate in the Meeting and vote their Common Shares while the Meeting is being held. The Company hopes that hosting the Meeting via teleconference helps enable greater participation by Shareholders by allowing shareholders that might not otherwise be able to travel to a physical meeting to attend via teleconference, while minimizing the health risk that may be associated with large gatherings.

Registered shareholders and duly appointed proxyholders will be able to attend and vote at the Meeting via teleconference or any adjournment or postponement thereof, or they may appoint another person (who need not be a shareholder) as their proxy to attend and vote in their place. If you appoint a non-management proxyholder, please ensure that they attend the Meeting for your vote to count.

If you are a registered Shareholder (i.e., you hold a physical certificate representing your Common Shares in your name) the Company encourages you to exercise your right to vote by dating, signing and returning the accompanying form of proxy to Computershare Investor Services Inc., the Company’s transfer agent. **You may also vote your Common Shares by proxy by appointing another person to attend the Meeting via teleconference and vote your Common Shares for you.** To be valid, completed proxy forms must be dated, completed, signed and deposited with Computershare Investor Services Inc., (i) by mail using the enclosed return envelope or one addressed to Computershare Investor Services Inc., 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1 Attn: Proxy Department, (ii) by facsimile to 1-866-249-7775, (iii) on the internet at www.investorvote.com, or (iv) instructions must be received by phone at 1-866-732-8683, in each case no later than 11:00 a.m. (Toronto time) on June 21, 2022 or, if the Meeting is adjourned or postponed, not less than 48 hours (excluding Saturdays, Sundays and statutory holidays in Toronto, Ontario) before any adjournment or postponement of the Meeting.

If you are a non-registered Shareholder and have received these materials from your broker or another intermediary, please complete and return the voting instruction form or other authorization form provided to you by your broker or intermediary in accordance with the instructions provided in order to vote or attend the Meeting via teleconference. Failure to do so may result in your Common Shares not being eligible to be voted at the Meeting.

Dated at Toronto, Ontario, this 19th day of May, 2022.

BY ORDER OF THE BOARD OF DIRECTORS OF CONVERGE TECHNOLOGY SOLUTIONS CORP.

SHAUN MAINE
Chief Executive Officer

HOW TO VOTE YOUR SHARES

How to Vote if you are a Registered Shareholder

You are a registered Shareholder if your name appears on a share certificate representing your Common Shares or if you are registered as the holder of your Common Shares in book-entry form. In either case, your name will be shown on the list of Shareholders kept by Computershare Investor Services Inc. (“**Computershare**”), the registrar and transfer agent of the Company.

Voting by proxy is the easiest way to vote. Voting by proxy means that you are giving the person or people named on your proxy form (the “**Proxyholder**”) the authority to vote your Common Shares for you at the Meeting or any adjournment. If you are a registered Shareholder, you will receive a form of proxy from Computershare with this Circular.

If you are a registered Shareholder you can attend the Meeting to vote, if you are not able to attend, you may vote by submitting your proxy before 11:00 a.m. (Toronto time) on June 21, 2022 or, if the Meeting is adjourned or postponed, not less

than 48 hours (excluding Saturdays, Sundays and statutory holidays in Toronto, Ontario) before any adjournment or postponement of the Meeting, in any of the following ways:

By Telephone	By Internet	By Mail	By Fax	By Appointing Another Person as Representative
Call 1-866-732-8683 (toll free in Canada or the United States)	Go to www.investorvote.com	Complete, sign and date the proxy and return it in the envelope provided or otherwise to: Computershare Investor Services Inc., Attn: Proxy Department, 100 University Avenue, 8th Floor, Toronto Ontario, M5J 2Y1	Complete, sign and date the proxy and fax it to 1-866-249-7775 (toll free in Canada or the United States) or 416-263-9524 (outside Canada and the United States)	Insert the name of the person or company you are appointing in the blank space provided in the enclosed form of proxy. Complete your voting instructions, date and sign the proxy and return it to Computershare using one of the methods outlined here. The person does not have to be a Shareholder but please ensure that he or she knows that you have appointed them, and they are available to act as your representative.

If you are not sure whether you are a registered Shareholder, please contact Computershare using the contact information set forth on the back cover of the Circular.

How to Change your Vote/Revoke your Proxy if you are a Registered Shareholder

You can revoke a vote you made by proxy by:

- Voting again by telephone or on the Internet before 11:00 a.m. (Toronto time) on June 21, 2022;
- Completing a proxy form that is dated later than the proxy form you are changing, and sending it to Computershare so that it is received before 11:00 a.m. (Toronto time) on June 21, 2022;
- Sending a notice in writing from you or your authorized attorney (or, if the Shareholder is a corporation, by a duly authorized officer) revoking your proxy to Matthew Smith, Interim Chief Financial Officer of Converge, at the head office of the Company, located at 161 Bay Street, Suite 2325, Toronto, Ontario, so that it is received before 11:00 a.m. (Toronto time) on June 21, 2022;
- Giving a notice in writing from you or your authorized attorney (or, if the Shareholder is a corporation, by a duly authorized officer) revoking your proxy to the chair of the Meeting, at the Meeting or any adjournment; or
- Attending the Meeting via teleconference and voting the Common Shares.

How to Vote if you are a Non-Registered Shareholder

You are a non-registered (or beneficial) Shareholder if your broker or another intermediary (your “**Nominee**”) holds your Common Shares for you. If you are a non-registered Shareholder, we will not have any record of your ownership and so the only way that you can vote your Common Shares is by instructing your Nominee. Your Nominee is required to ask for your voting instructions before the Meeting.

In most cases, you will receive a voting instruction form from your Nominee that allows you to provide your voting instructions by telephone, on the Internet or by mail. You should complete the voting instruction form and sign and return it in accordance with the directions on that form. Please contact your Nominee if you did not receive a voting instruction form or a proxy form. Less frequently, you may receive from your Nominee a proxy form that has already been signed by the Nominee, which is restricted to the number of Common Shares beneficially owned by you but is otherwise not completed. If you have received this proxy form, you should complete it and return it to Computershare before 11:00 a.m. (Toronto time) on June 21, 2022, using one of the methods set out above.

In accordance with the Canadian Securities Administrators' National Instrument 54-101 — *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), the Company is distributing copies of materials related to the Meeting to Nominees for distribution to non-registered Shareholders and such Nominees are to forward the materials related to the Meeting to each non-registered Shareholder (unless the non-registered Shareholder has declined to receive such materials). Such Nominees often use a service company (such as Broadridge Investor Communication Solutions in Canada (“**Broadridge**”)), to permit the non-registered Shareholder to direct the voting of the Common Shares held by the Nominee, on behalf of the non-registered Shareholder. The Company is paying Broadridge to deliver on behalf of the Nominees, a copy of the materials related to the Meeting to each “objecting beneficial owner” and each “non-objecting beneficial owner” (as such terms are defined in NI 54-101).

If you would like to attend the Meeting via teleconference and vote, it will be necessary for you to appoint yourself as proxyholder of your Common Shares. You can do this by printing your name in the space provided on the voting instruction form and submitting it as directed. Non-registered shareholders who have not appointed themselves as proxyholder to vote at the Meeting but who wish to attend the Meeting will only be able to attend as a guest by calling the following Toll-Free number: 1-888-886-7786 and entering the following conference ID number: 51896541 and will be able to listen to the Meeting but will not be able to vote.

How to Change your Vote if you are a Non-Registered Holder

A non-registered Shareholder may revoke previously given voting instructions by contacting his or her Nominee and complying with any applicable requirements imposed by such Nominee. A Nominee may not be able to revoke voting instructions if it receives insufficient notice of revocation.

PROXYHOLDER MATTERS

Completing the Form of Proxy

You can choose to vote “**FOR**” or “**WITHHOLD**” your vote in respect of the following resolutions:

- the election of each person nominated as a director of the Company (each, a “**Director**”); and
- the re-appointment of the auditor for the ensuing year and the authorization of the Directors to fix the auditor’s remuneration.

The Common Shares represented by proxy will be voted for or against or withheld from voting, as applicable, in accordance with your instructions on any ballot that may be called and if you specify a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly.

If you are an individual, you or your authorized attorney must sign the proxy form. If you are a corporation or other legal entity, an authorized officer or attorney must sign the proxy form. A proxy form signed by a person acting as attorney or in some other representative capacity (including a representative of a corporate Shareholder) should indicate that person’s capacity (following their signature) and should be accompanied by the appropriate instrument evidencing qualification and authority to act (unless such instrument has previously been filed with Converge).

If you need help completing your proxy form, please contact Computershare at 514-982-7555 or at 1-800-564-6253 (toll free in Canada and the United States) or by e-mail at service@computershare.com.

How Proxyholders Will Vote

When you sign the proxy form, you authorize Shaun Maine, Chief Executive Officer, or Matthew Smith, Interim Chief Financial Officer of the Company to vote your Common Shares for you at the Meeting according to your instructions. **If you**

return your proxy form and do not tell us how you want to vote your Common Shares, your Common Shares will be voted:

- **FOR electing each of the individuals nominated as a Director who are listed in this Circular; and**
- **FOR re-appointing Ernst & Young LLP as auditor and authorizing the Directors to fix the auditor’s remuneration.**

Your Proxyholder will also be entitled to vote your Common Shares as he or she sees fit in respect of amendments to matters identified in the Notice of Meeting and on any other item of business that may properly come before the Meeting or any adjournment(s) thereof. At the date of this Circular, the Directors and management of the Company are not aware that any such amendments or other matters are to be submitted to the Meeting.

Shareholders Can Choose any Person or Company as their Proxyholder

You have the right to appoint a person other than the persons designated in the proxy form to represent you at the Meeting. Such right may be exercised by inserting the name of the person or company in the blank space provided in the enclosed form of proxy or by completing another form of proxy. **If you do not specify how you want your Common Shares voted, your Proxyholder will vote your Common Shares as he or she sees fit on any matter that may properly come before the Meeting.**

RECORD DATE AND QUORUM

The board of directors of the Company (the “**Board**” or the “**Board of Directors**”) has fixed May 16, 2022 as the record date (the “**Record Date**”) for the purpose of determining which Shareholders are entitled to receive the Notice of Meeting and vote at the Meeting or any adjournment(s) thereof, either via teleconference or by proxy. Any Shareholder of record at the close of business on the Record Date will be entitled to vote the Common Shares registered in such Shareholder’s name at that date on each matter to be acted upon at the Meeting or any adjournment(s) thereof. No person acquiring Common Shares after that date shall, in respect of such Common Shares, be entitled to receive the Notice of Meeting and vote at the Meeting or any adjournment(s) thereof.

A quorum for the transaction of business at the Meeting or any adjournment(s) thereof (other than an adjournment for lack of quorum) shall be two persons present and each entitled to vote at the Meeting who, together, hold or represent by proxy not less than 20% of the votes attaching to the outstanding Common Shares entitled to vote at the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS

Converge is authorized to issue an unlimited number of Common Shares. As of May 19, 2022, the Company had 214,896,369 outstanding Common Shares, each carrying the right to one vote at the Meeting.

As of May 19, 2022, the only persons, corporations or other legal entities who, to the knowledge of the Company, its Directors or executive officers, beneficially own, or control or direct, directly or indirectly, voting securities carrying 10% or more of the voting rights attached to any class of the voting securities of the Corporation are as follows:

Name	Number of Shares	Percentage of Class	Percentage of Voting Power
Mawer Investment Mangement Ltd. ⁽¹⁾	29,238,337	13.6%	13.6%

Notes:

- (1) The number of Common Shares reported as held by Mawer Investment Management Ltd. is based on the alternative monthly report it filed on October 7, 2021 on SEDAR reporting ownership as of September 30, 2021.

As of May 19, 2022, to the knowledge of the Company, its Directors or executive officers, except as disclosed immediately above, no person or company beneficially owns, or controls or directs, directly or indirectly, voting securities carrying 10% or more of the outstanding Common Shares., based on publicly available information.

FINANCIAL STATEMENTS

The audited consolidated financial statements of Converge as at and for the year ended December 31, 2021, together with the auditor's reports thereon, have been sent to Shareholders who have requested that they receive a copy. These financial statements are also available on the Company's profile on the SEDAR website at www.sedar.com.

ELECTION OF DIRECTORS

The Board currently consists of six directors and, if all the directors proposed to be nominated for election are elected, will consist of seven directors following the Meeting. Each of the seven individuals named below are being recommended for election as Directors. If elected, they will hold office until the close of the next annual meeting of Shareholders or until their successors are elected or appointed, unless such office is earlier vacated in accordance with the Company's by-laws.

It is the intention of the individuals named in the enclosed form of proxy to vote FOR the election of each of the individuals listed below under the heading "Nominees for Election to the Board" as Directors, to hold office until the close of the next annual meeting of Shareholders or until their successors are duly elected or appointed, unless specifically instructed in the proxy to withhold such vote. Management of the Company does not contemplate that any of the nominees will be unable or unwilling to serve as a Director; however, if such event should occur prior to the Meeting, the persons named in the enclosed form of proxy reserve the right to vote in their discretion for other nominees.

Advance Notice Provisions

The Company's articles provide for advance notice of nominations of Directors ("**Advance Notice Provisions**") in circumstances where nominations of persons for election to the Board are made at any annual meeting of Shareholders, or at any special meeting of Shareholders if one of the purposes for which the special meeting was called was the election of Directors: (a) by or at the discretion of the Board, including pursuant to a notice of meeting; (b) by or at the direction or request of one or more Shareholders pursuant to a "proposal" made in accordance with section 137 of the *Canada Business Corporations Act*, or a requisition of the Shareholders made in accordance with section 143 of the *Canada Business Corporations Act*; or (c) by any Nominating Shareholder.

To be a "**Nominating Shareholder**" eligible for making nominations under the Advance Notice Provisions, the Nominating Shareholder must (a) comply with the notice procedures set forth in the Advance Notice Provisions, as described below, and (b) at the close of business on the date of the giving of the applicable notice and on the record date for notice of the applicable Shareholder meeting, be entered in the Company's register as a holder of one or more Common Shares carrying the right to vote at such meeting.

The Advance Notice Provisions fix deadlines by which a Nominating Shareholder must notify the Company of nominations of individuals for election to the Board as follows: such notice must be provided to the Corporate Secretary of the Company (a) in the case of an annual meeting, not less than 30 days prior to the date of the annual meeting; provided, however, that in the event that the annual meeting is to be held on a date that is less than 50 days after the Notice Date (as defined below), notice may be given not later than the close of business on the tenth day following the Notice Date; and (b) in the case of a special meeting (which is not also an annual general meeting) of Shareholders called for the purpose of electing Directors (whether or not called for other purposes), not later than the close of business on the fifteenth day following the Notice Date. For the purposes hereof, "**Notice Date**" means, with respect to an annual meeting or a special meeting (which is not also an annual general meeting), the date that is the earlier of the date that notice of meeting is filed for such meeting under the Company's profile on SEDAR and the date on which the first public announcement of the date of such meeting was made in a press release reported by a national news service in Canada. The Advance Notice Provisions also stipulate that certain information about any proposed nominee and the nominating Shareholder be included in such a notice in order for it to be valid.

Majority Voting Policy

In accordance with the requirements of the TSX, the Board has adopted a "Majority Voting Policy" to the effect that, in an uncontested election of directors at an applicable meeting of Shareholders, a nominee for election as a director who does not receive a greater number of votes "for" than votes "withheld" with respect to the election of directors by Shareholders will be expected to offer to tender his or her resignation to the Chair of the Board promptly following the meeting of Shareholders at which the Director was elected. The Nomination and Governance Committee will consider such offer and make a recommendation to the Board whether or not to accept such resignation. The Board will promptly accept the resignation unless it determines, in consultation with the Nomination and Governance Committee, that there are exceptional circumstances that should delay the acceptance of the resignation or justify rejecting the resignation. The Board will make its decision and

announce it in a press release within 90 days following the meeting of Shareholders. A Director who tenders a resignation pursuant to the Majority Voting Policy will not participate in any meeting of the Board or the Nomination and Governance Committee at which the resignation is considered.

Nominees for Election to the Board

The following tables set forth profiles of the seven individuals who are nominated for election as Directors, including the positions and offices with the Company now held by each nominee, if applicable, the present principal occupation or employment of each nominee, the business experience over the last five years of each nominee, the period during which each nominee has served as a Director, if applicable, and the number of securities of the Company (including Common Shares and securities exercisable or convertible to purchase or receive Common Shares, if applicable) beneficially owned, or controlled or directed, directly or indirectly, by each nominee as at the date of this Circular. The information as to securities beneficially owned, or controlled or directed, directly or indirectly, by each nominee has been furnished by the respective proposed nominees individually.

The information set forth below in respect of the period during which Mr. Maine has served as a Director includes the period Mr. Maine served as director of Converge Partners.

The Board has determined that five of the seven individuals nominated for election as a Director at the Meeting are independent. The Directors who are not independent are Thomas Volk due to the consulting arrangement he has with Converge and Shaun Maine due to the executive position which he holds at Converge. All of the members of the Audit Committee are independent Directors. All of the members of the Compensation Committee, except Thomas Volk, are independent Directors. Although Thomas Volk is not considered to be independent, given the smaller size of the Company’s Board and the division of responsibilities for committee participation amongst the Directors and Mr. Volk’s wealth of experience in the industry, Mr. Volk agreed to participate as a member of the Compensation Committee for a limited time. Following the Meeting, all of the members of the Compensation Committee will be comprised entirely of independent Directors. All of the members of the Nomination and Governance Committee are independent Directors. For more information about the Company’s independence standards and assessment, see the section of this Circular entitled “*Statement of Governance Practices – Director Independence*”. For information on the compensation paid to non-management Directors, see the section of this Circular entitled “*Statement of Executive Compensation – Director and Named Executive Officer Compensation*”. In addition, a description of the role of the Board is included in the section of this Circular entitled “*Statement of Governance Practices – Board Mandate*” and a copy of the Mandate of the Board of Directors (the “**Board Mandate**”) is attached as ANNEX A to this Circular.

Employee Share Purchase Plan

The Company adopted the Employee Share Purchase Plan to enable eligible employees to acquire Common Shares in the Company in a convenient and systematic manner, so as to encourage continued employee interest in the operation, growth and development of the Company, as well as to provide an additional investment opportunity to eligible employees of the Company and its subsidiaries.

All regular full-time and part-time employees are eligible to participate in the Employee Share Purchase Plan. Participants in the Employee Share Purchase Plan accumulate funds for the purchase of Common Shares through payroll deduction, subject to a maximum limit of \$30,000 per year for Canadian employees and US\$25,000 per year for US employees. The Company will match 20% of the contributions from participants and the Common Shares purchased by the Company’s contributions shall be subject to a three-year holding period with one-third of such shares released on the one-, two- and three-year anniversary of the purchase date. Dividends on Common Shares in a participant’s account under the Employee Share Purchase Plan (i) will be reinvested to purchase additional Common Shares, if the participant is a Canadian resident or (ii) will be paid by cheque, net of any withholding taxes, to participants who are not Canadian residents.

On the last day of each calendar month in each year, all contributions received in respect of each participant shall be paid in full on behalf of participants to purchase Common Shares from treasury and/or, at the election of the Company, through market purchases carried out by an independent broker through the facilities of the TSX. Common Shares issued from treasury will be issued at a price equal to the five-day volume weighted average price of the Common Shares on the TSX for the five trading days immediately preceding the issue date.

Upon termination of a participant's employment for any reason, all Common Shares purchased by the Company's contributions in such participant's account, regardless of when such Common Shares were acquired, shall be released. Any contributions received in respect of such participant that have not yet been paid on behalf of participants to purchase Common Shares at the time of such termination shall be returned to the participant. A participant's interest under the Employee Share Purchase Plan is not assignable.

Under the Employee Share Purchase Plan, 2,500,000 Common Shares are reserved for issuance. Furthermore, the maximum number of Common Shares issuable pursuant to all security-based compensation arrangements of the Company, at any time, shall not exceed 10% of the total number of outstanding Common Shares. Under the Employee Share Purchase Plan, together with any other security-based compensation arrangements of the Company, the Common Shares reserved for issuance to insiders cannot exceed 10% of the outstanding Common Shares, and the number of Common Shares issued to insiders within a one-year period cannot exceed 10% of the outstanding Common Shares.

No Common Shares have been issued from treasury pursuant to the Employee Share Purchase Plan since its adoption and the annual burn rate of the Employee Share Purchase Plan is 0% since adoption. As at December 31, 2021, 2,500,000 Common Shares remained available for issuance under the Employee Share Purchase Plan.

The Employee Share Purchase Plan can be amended by the Board at any time, without the approval of the Shareholders, provided that amendments to (a) increase the number of Common Shares reserved for issuance under the Employee Share Purchase Plan, (b) add additional categories of persons eligible to participate under the Employee Share Purchase Plan, (c) eliminate or decrease the limitations on insider participation set forth above, or (d) amend the amendment provision of the Employee Share Purchase Plan to eliminate a matter listed as requiring Shareholder approval, will in each case require Shareholder approval.

The LTIP

The LTIP was adopted by the Board on May 11, 2021 and approved by Shareholders at the Company's annual general meeting of Shareholders held on June 23, 2021. The LTIP was adopted to promote a further alignment of interests between senior management and the shareholders of the Company, as determined by the Board to associate a portion of the compensation payable to such individuals with the returns achieved by shareholders of the Company and to attract and retain management with the knowledge, experience and expertise required by the Company.

Any individual employed by the Company, including a service provider, who, by the nature of their position or job is, in the opinion of the Board, in a position to contribute to the success of the Company shall be eligible to receive grants under the LTIP provided that only officers and employees of the Company shall be eligible to receive options under the LTIP. At this time, grants are limited to senior management of the Corporation. Non-employee directors are not eligible to receive grants under the LTIP.

The aggregate number of shares that may be issued pursuant to grants made under the LTIP shall be a number equal to two- and one-half percent (2.5%) of the aggregate number of issued and outstanding shares from time to time. As at the date of this Circular, the aggregate number of shares that may be issued pursuant to grants made under the LTIP is 5,372,409. For the purpose of computing the total number of shares available for grant under the LTIP, shares subject to any grant (or any portion thereof) that are forfeited, surrendered, cancelled or otherwise terminated, including if a number of shares covered by an option have not been issued due to the exercise of a Tandem SAR (as defined below) connected with such option, prior to the issuance of such shares shall again be available for grant under the LTIP.

In the previously completed fiscal year, 1,600,000 options were granted, representing a burn rate of 1%.

The maximum number of shares that are (i) issuable to insiders within any one-year period, and (ii) issuable to insiders at any time, under the LTIP, or when combined with all of the Company's other security-based compensation arrangements, shall not exceed 10% of the number of the aggregate issued and outstanding shares.

The LTIP provides that all options granted shall vest in accordance with the terms of the grant agreement entered into in respect of such options. Options shall be exercisable during a period fixed by the Board which shall not be more than 10

years from the grant of the option. The exercise price for each share subject to an option shall be fixed by the Board but under no circumstances may any exercise price be less than 100% of the market price on the date of grant of the option (being the volume weighted average price on the TSX for the five consecutive immediately preceding trading days). The exercise of options may be subject to other vesting conditions, including specific time schedules for vesting and performance-based conditions as determined by the Board.

If the normal expiry date of an option falls within a blackout period or within 10 business days following the end of any blackout period, then the expiry date of such option shall automatically be extended to the date that is 10 business days following the end of the blackout period.

Participants may be granted “Stand-Alone SARs”, being a right to receive a cash amount equal to the amount, if any, by which the market price on the date of exercise of the SAR exceeds the market price at the time of the grant (the “**Base Price**”). Such amounts may also be payable by the issuance of Common Shares (at the discretion of the Board). The exercise of SARs may also be subject to conditions similar to those which may be imposed on the exercise of options.

In addition, SARs may be granted in connection with a grant of options (“**Tandem SARs**”), which shall be subject to the same terms and conditions of the grant of options. Tandem SARs may be exercised only if and to the extent the related options are vested and exercisable, and on exercise of a Tandem SAR, the related option will be cancelled, and the participant will be entitled to the amount in settlement of the Tandem SARs. Upon exercise, the Tandem SAR will be settled by a cash amount equal to the amount, if any, by which the market price on the date of exercise of the Tandem SAR exceeds the exercise price of the related option at the time of the grant. Such amounts may also be payable by the issuance of shares (at the discretion of the Board).

If the normal expiry date of SAR falls within any blackout period or within 10 business days following the end of any blackout period, then the expiry date of such SAR shall automatically be extended to the date that is 10 business days following the end of the blackout period.

Participants may be allocated share units in the form of RSUs or PSUs (collectively, “**Share Units**”), which represent the right to receive an equivalent number of Common Shares or the market price in cash on the vesting date. The issuance of such shares may be subject to vesting requirements similar to those described above with respect to the exercise of options and SARs, including such time or performance-based conditions as may be determined from time to time by the Board in its discretion. The LTIP provides for the express designation of Share Units as either RSUs, which have time-based vesting conditions, or PSUs, which have performance-based vesting conditions over a specified period.

If Share Units are scheduled to settle during a blackout period, such settlement shall be postponed until the earlier of the trading day following the date on which the blackout period ends and the otherwise applicable date for settlement and the market price of any RSUs or PSUs settled in cash will be determined as of the earlier of the trading day on which the blackout period ends and the day prior to the settlement date.

Participants may be granted “Restricted Stock”, being shares that are subject to restrictions on the Participant’s right to acquire full ownership interest in the shares, as the Board shall specify in a grant agreement or otherwise. Restricted Stock cannot be sold, transferred or assigned while the restrictions remain in effect, although the participant may vote the Restricted Stock and receive any dividends paid on the Restricted Stock during such period. Restricted Stock is forfeited if the applicable restriction does not lapse prior to the date or the occurrence of the specified event or the satisfaction of the criteria in the grant agreement.

Subject to the terms of the applicable grant agreement, in the case of (i) a participant’s termination due to death or due to disability, the participant’s outstanding options that have become vested prior to the participant’s date of death or disability shall continue to be exercisable during the 12 month period following such date of death or disability, as the case may be, (ii) a participant’s termination without cause or due to resignation, the participant’s outstanding options that have become vested prior to the participant’s termination shall continue to be exercisable during the 90 day period following the participant’s termination, (iii) a participant’s termination for cause, the participant’s outstanding options that have become vested prior to the participant’s termination shall continue to be exercisable during the 10 day period following the participant’s termination, (iv) a participant’s termination, other than for cause, any and all then outstanding options granted to the participant that have not vested prior to such termination, shall not vest and shall be immediately forfeited and cancelled without any consideration, and (v) a participant’s termination for cause, any and all then outstanding options granted to the participant that have not vested prior to such termination shall be immediately forfeited and cancelled, without any consideration. The Board may, at the time of a participant’s termination or disability, extend the period for exercise of some or all of the participant’s options, but not

beyond the original expiry date, and/or allow for the continued vesting of some or all of the participant's options during the period for exercise or a portion of it. Options that are not exercised prior to the expiration of the exercise period, including any extended exercise period following a participant's date of termination or disability, shall automatically expire on the last day of such period. For greater certainty, a participant shall have no right to receive Common Shares or a cash payment, as compensation, damages or otherwise, with respect to any options that do not become vested or that are forfeited and/or cancelled or otherwise not exercised before the date on which the options expire.

Subject to the terms of the applicable grant agreement, in the case of a participant's termination of employment for any reason, including, the participant's resignation, termination without cause, death, disability or termination for cause, those Share Units that have not vested prior to such termination, including dividend equivalent Share Units in respect of such Share Units, shall not vest and all such Share Units shall be forfeited immediately. The participant shall have no further entitlement to RSUs or PSUs following their date of termination, other than to receive cash or shares in respect of vested RSUs and PSUs.

In the event that the employment of a participant that has been issued Restricted Stock is terminated prior to satisfaction of the criteria in the grant agreement to entitlement by the participant, unless the grant agreement provides otherwise or as otherwise determined by the Board, all Restricted Stock will be forfeited to the Company.

Unless otherwise provided in the LTIP or applicable grant agreement, no grants and no rights or interests therein may be assigned, transferred, sold, exchanged, encumbered, pledged or otherwise hypothecated or disposed of by a participant other than by testamentary disposition by the participant or the laws of intestate succession. A participant may designate a beneficiary, in writing, to receive any benefits that are provided under the LTIP upon the death of such participant.

The LTIP contains provisions for the equitable treatment of grants in relation to any capital changes and with regard to a dividend, split, recapitalization, reclassification, amalgamation, arrangement, merger, consolidation, combination or exchange of shares or distribution of rights to holders of shares or any other relevant changes to the authorized or issued capital of the Company.

In the event of a change in control prior to the vesting of a grant, and subject to the terms of a participant's employment agreement and the applicable grant agreement, the Board shall have full authority to determine in its sole discretion the effect, if any, of a change in control on the vesting, exercisability, settlement, payment or lapse of restrictions applicable to a grant.

The LTIP and any grant made pursuant to the LTIP may be amended, modified or terminated by the Board without approval of shareholders and subject to the rules and policies of the TSX, provided that no amendment may be made without the consent of a participant if it adversely affects the rights of the participant in respect of any grant previously made to such participant. For greater certainty, the LTIP may not be amended without shareholder approval to do any of the following:

- (a) increase in the maximum number of shares issuable pursuant to the LTIP;
- (b) increase or remove the limits on shares issuable or issued to insiders;
- (c) reduce the exercise price of an outstanding option or the base price of a Stand-Alone SAR, except as otherwise provided under the LTIP;
- (d) amend the maximum term of the options to a date more than 10 years from the grant date;
- (e) extend the maximum term of any grant made under the LTIP, except as otherwise provided under the LTIP;
- (f) amend the assignment provisions contained in the LTIP;
- (g) permit a non-employee director to be eligible for grants under the LTIP;
- (h) the addition of any form of financial assistance to a participant;
- (i) include other types of equity compensation involving the issuance of shares under the LTIP; or
- (j) amend the amendment provisions of the LTIP to amend or delete any of (a) through (j) above, or grant additional powers to the Board to amend the LTIP or entitlements without shareholder approval;

provided that, shareholder approval shall not be required for, among other things, the following amendments:

- (k) amendments of a “housekeeping” nature;
- (l) a change to the vesting provisions of any grants;
- (m) a change to the termination provisions of any grant that does not entail an extension beyond the original term of the grant; or
- (n) amendments to the provisions relating to a change in control.

Share Ownership Guidelines

Currently, Converge has not adopted guidelines that require minimum levels of share ownership for executive officers or directors. Converge does not require executive officers to hold options after they vest for any particular period of time.

COMPENSATION DISCUSSION AND ANALYSIS

Oversight and Description of Named Executive Officer Compensation

Converge’s Compensation Committee sets guidelines for determining the short-term and long-term compensation of executive officers based on their performance, the compensation of executive officers at comparable companies, compensation in previous years, the experience and skills of the officer, the advice of independent compensation advisors, published third party surveys, and any other factor the committee determines to be relevant. The Compensation Committee, in its discretion, recommends annual and long-term performance goals and objectives for the executive officers to the Board. The Compensation Committee evaluates the performance of the Chief Executive Officer and the other named executive officers in light of the approved performance goals and objectives. The Compensation Committee makes recommendations to the Board with respect to incentive-based compensation plans and equity-based plans, including the Employee Share Purchase Plan and LTIP. The Compensation Committee also reviews and recommends the compensation for independent directors and committee members for approval by the Board on an annual basis.

The Board approves the compensation of the named executive officers based on the recommendations of the Compensation Committee. In the case of the named executive officers other than the Chief Executive Officer, these approvals and recommendations reflect consideration of the recommendations of the Chief Executive Officer, which are based on similar factors to those that are considered by the Compensation Committee in establishing its recommendation respecting the compensation of the Chief Executive Officer.

Compensation Objectives

Converge’s compensation program for its executive officers is designed to attract, retain, motivate and engage highly skilled and experienced individuals who excel in their field. The objective of the program is to focus Converge’s executives on the key business factors that affect shareholder value and to align their compensation with Converge’s business and financial objectives and the long-term interests of Shareholders.

The Board of Directors is responsible for identifying and mitigating any risk associated with Converge’s compensation policies and practices that could incentivize an executive officer or other employee to take inappropriate or excessive risk, or that could otherwise have a material adverse effect on Converge.

Elements of Compensation Program

Compensation for executive officers is comprised primarily of three main components:

- base salary;
- short-term incentive compensation; and
- participation in long-term incentive arrangements, including the Employee Share Purchase Plan and the LTIP.

Each component plays a role in meeting Converge's compensation objectives. The mix of compensation is designed to reward short-term results and to motivate long-term performance, each of which would contribute to the overall success of Converge. The compensation levels of Converge's executive officers reflect to a significant degree the varying roles and responsibilities of Converge's executive officers. Converge believes that its non-formulaic approach to compensation is appropriate as it provides the necessary flexibility to incentivize Converge's executive officers in changing market and industry conditions. Converge attempts to maintain a balance between base salary and short- and long-term incentive compensation, with defined objectives. The appropriate level of compensation for the named executive officers is determined by the Board with the input and recommendations of the Compensation Committee on an annual basis.

The Compensation Committee regularly reviews the above elements of Converge's compensation programs to ensure that each such element aligns the goals of Converge and its executive officers. The Compensation Committee also benchmarks Converge's executive compensation with a select peer group of Canadian and U.S. companies (the "**Converge Peer Group**") made up of Absolute Software Corporation, Alithya Group Inc., Altus Group Limited, Calian Group Ltd., Docebo Inc., Pivotree Inc., Real Matters Inc., Scansource, Inc., Tecsys Inc. and The Hackett Group, Inc.

In the Compensation Committee's view, the above companies represent companies of a relatively similar revenue size, market focus or market capitalization that compete with Converge for executive officers of similar talent and experience. The Compensation Committee periodically updates this peer group. This benchmarking allows the Compensation Committee to confirm that its executive officer compensation is competitive with the marketplace. With the assistance and advice of the Company's independent advisor (see "*Use of Independent Compensation Consultant*"), Converge aims to compensate its executive officers within the ranges offered by its peer companies.

In determining compensation programs, policies and compensation levels for Converge's executive officers, the Compensation Committee considers various factors, including:

- (a) Converge's overall financial and operating performance;
- (b) industry peer comparables;
- (c) the advice of the Company's independent compensation consultants;
- (d) information contained in published third-party compensation surveys; and
- (e) input from senior management and from the Compensation Committee and the Board's determination of the applicable executive officer's performance and contribution towards meeting corporate objectives, levels of responsibility and importance in the future growth of Converge.

Base salary

Individual base salaries are provided as a fixed source of compensation and determined by each officer's experience, expertise, performance and expected contributions to Converge. The Compensation Committee uses industry studies and market data for comparable businesses to assist in setting a range of base salaries for positions. However, these studies and data are only one factor that is reviewed in determining base salary for each executive officer position. Adjustments to base salaries are determined annually and may be adjusted based on various factors, including the executive officer's success in meeting or exceeding individual objectives and an assessment of the executive officer's compensation compared to market and any changes thereto. Notwithstanding the foregoing, base salaries can be adjusted throughout the year to reflect changes in an executive officer's roles and responsibilities or promotions. In recognition of the significant growth of the Company in 2021, the base salaries of certain executive officers of the Company were increased to remain competitive with industry peers.

Short-term incentive compensation

Converge utilizes short-term incentive compensation to reward its executive officers, including the named executive officers, for achieving performance objectives while making progress towards Converge's longer-term objectives, and to recognize independent performance. Converge sets targets for the short-term incentive component of each executive officer's compensation based on the Company's goals and objectives. Target achievement is based on a combination of business and financial objectives, and individual performance. The short-term incentive component of an executive officer's compensation is based on objective factors, including adjusted EBITDA results, acquisition strategy and execution and capital raising and financing activities as well as annual and long-term individual goals. Although executive officers do not have a target payout level, short-term incentives range from 0-200% of base salary for the President and 0-100% for all other executive officers.

Adjusted EBITDA is a non-IFRS measure. Non-IFRS measures do not have a standardized meaning prescribed by IFRS and may not be comparable to similar measures presented by other companies. However, Management believes that these measures are useful to most shareholders and other stakeholders in analyzing Converge's operating results and executive compensation, and can highlight trends in its core business that may not otherwise be apparent when relying solely on IFRS measures. For more information on adjusted EBITDA and non-IFRS measures, please refer to the Company's most recently filed Management Discussion and Analysis.

The performance targets established by the Compensation Committee are aligned with those which the Compensation Committee believes will enhance future value for the shareholders of Converge. See "*— Specifics of Disclosure*", below.

Long-term incentives

Equity-based long-term incentive compensation is a fundamental component of Converge's executive compensation program to align the interest of executive officers with those of Shareholders and by providing an opportunity for executive officers to increase their share ownership over time. Converge has implemented the Employee Share Purchase Plan and the LTIP. For more information, see "*— Employee Share Purchase Plan*" and "*— LTIP*". The Board approves Option, RSU and PSU grants to executive officers from time to time for retention purposes and based on executive officers meeting performance targets. The Company requires executive officers and certain employees to invest a minimum of 25% of their annual or other incentive bonus in Common Shares purchased on the open market pursuant to the Employee Share Purchase Plan.

Pursuant to Converge's Insider Trading Policy, executive officers and directors are prohibited from purchasing derivative financial instruments including, for greater certainty, prepaid variable forward contracts, equity swaps, collars or units of exchange funds, that are designed to hedge or offset a decrease in the market value of equity securities granted as compensation or held, directly or indirectly, by the executive officer or director.

Specifics of Disclosure

Disclosure of specific targets under "*— Short-term incentive compensation*" and "*— Long-term incentives*" above would be seriously prejudicial to Converge's interests as disclosure of such specific targets would reveal details capable of undermining the chosen target criteria and could possibly put Converge at a competitive disadvantage. Converge believes that its targets for its executive officers are challenging, yet achievable. Economic and other factors beyond Converge's control, including Converge's market outlook, the global economic environment and the continued effects of Covid-19 and its variants affect the achievement of Converge's results.

Consideration of Risks

The Compensation Committee has not proceeded with a formal evaluation of the implications of the risks associated with the Corporation's compensation policies and practices. However, the Compensation Committee considers the implications of the risks associated when implementing compensation policies and practices, and the Compensation Committee does not believe that the Corporation's compensation policies and practices result in inappropriate or excessive risk taking or risks that are likely to have a material adverse effect on the Corporation.

Use of Independent Compensation Consultants

In April 2021, the Compensation Committee engaged Willis Towers Watson ("**WTW**"), an independent advisor with significant executive compensation advisory experience. WTW is independent of management, well qualified and represents the interests of shareholders when working for the Compensation Committee. WTW was engaged to advise on benchmarking executive officer compensation and the implementation and design of the LTIP. Using data from the Converge Peer Group, WTW reviewed Converge's compensation arrangements for its named executive officers and evaluated the competitiveness of Converge's executive compensation program. The results of WTW's findings with respect to its executive compensation review were summarized in a report to the Compensation Committee dated May, 2021 and WTW provided input on Converge's LTIP which was approved in 2021. In recognition of the significant growth of the Company in 2021 and based on recommendations from WTW, the base salaries of certain executive officers were increased to remain competitive with industry peers.

All work conducted by WTW is pre-approved by the Compensation Committee and WTW does not provide any non-committee approved services to the Company. The Compensation Committee takes WTW's advice and recommendations, as provided, but ultimately makes its own decisions and recommendations for the Board to approve. WTW was not retained to provide any advice, recommendations or other services to the Corporation, the Board or the Compensation Committee in 2020 or 2019.

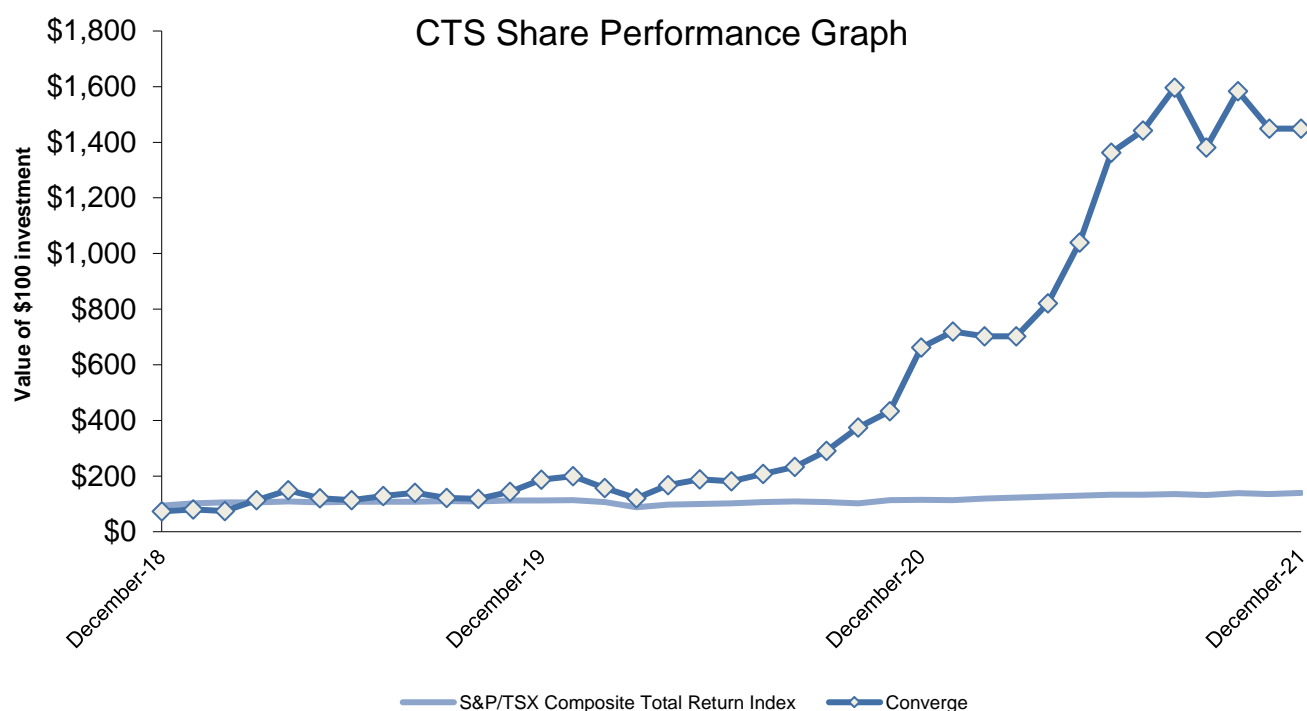

Executive Compensation-Related Fees

In 2021, fees paid to WTW for the consulting services were as follows:

Financial Year Ending	Executive Compensation Services	All other Services
December 31, 2021	\$36,604	Nil

Converge’s Common Shares are listed for trading on the TSX under the symbol “CTS”.

Currently, salaries and annual incentives provided to executive officers are not directly linked to share performance.

Pension Plan Benefits

As at December 31, 2021, the Company did not have a formal pension plan or any other plan that provides payment or benefits at, following or in connection with retirement.

Termination, Retirement and Change of Control Benefits for Named Executive Officers

Converge has entered into written employment agreements with Julianne Belaga, Cory Reid, Matthew Smith and Greg Berard. None of the employment agreements contains any payment or other provisions with respect to a change of control of Converge. The LTIP provides that in the event of a change in control prior to the vesting of a grant, the Board has the discretion to accelerate the vesting, exercisability, settlement, payment or lapse of restrictions applicable to a grant.

Julianne Belaga

Ms. Belaga's employment may be terminated by Converge for cause without notice. Termination for cause includes, but is not limited to: a breach of any material provision of the employment agreement including but not limited to any breach of the Intellectual Property and Confidentiality Agreement, as agreed to and executed by Ms. Belaga, and an act of intentional fraud or willful misconduct that is not trivial and has not been condoned by the Company. In the event Ms. Belaga is terminated for cause, Converge's sole obligation will be to pay to Ms. Belaga any portion of the base salary that has been earned by Ms. Belaga prior to the date of termination but has not been paid. No additional amounts would be payable as a result of termination with cause.

Ms. Belaga's employment may be terminated by Converge without cause. Upon Ms. Belaga's termination of employment without cause, Ms. Belaga is entitled to a lump sum payment equal to six months of her base salary and annual bonus plus one additional month per year or completed year of service in excess of four. If the foregoing termination would have occurred on December 31, 2021, Ms. Belaga would have been entitled to receive a payment equal to an estimated US\$250,000

Ms. Belaga is subject to a non-solicitation covenant for a period of 12 months following the date of the termination of her employment, for any reason.

Cory Reid

Upon termination of Mr. Reid's employment for cause, Mr. Reid is entitled to salary in lieu of any outstanding holiday entitlement and all vested but unexercised options shall continue to be exercisable for 10 days following termination. All unvested options shall be immediately forfeited and cancelled. If the foregoing termination would have occurred on December 31, 2021, Mr. Reid would have been entitled to receive a payment equal to €500,000.

Mr. Reid's employment may be terminated by Converge without cause on twelve months' notice or with a salary continuation for a 12-month period in lieu of thereof. Upon termination of Mr. Reid's employment without cause, Mr. Reid is entitled to salary in lieu of any outstanding holiday entitlement and all vested but unexercised options shall continue to be exercisable for 90 days following termination. All unvested options shall be immediately forfeited and cancelled. Mr. Reid is not subject to any non-competition and non-solicitation covenants following the date of the termination of his employment, for any reason.

Matthew Smith

Mr. Smith's employment may be terminated by Converge for cause without notice. Termination for cause includes but is not limited to: a breach of any material provision of the employment agreement including but not limited to any breach of the Intellectual Property and Confidentiality Agreement, as agreed to and executed by Mr. Smith, an act of dishonesty, fraud, wilful misconduct, disobedience or wilful neglect of duty that is not trivial and has not been condoned by Converge. If Mr. Smith is terminated for cause, Converge's sole obligation would be to pay to Mr. Smith any portion of the base salary and accrued vacation pay that had been earned by Mr. Smith prior to the date of termination but had not been paid. If the foregoing termination would have occurred on December 31, 2021, Mr. Smith would have been entitled to receive a payment equal to an estimated \$7,500.

Mr. Smith's employment may be terminated by Converge without cause with payment in lieu of notice or severance pay. Upon termination of Mr. Smith's employment without cause, Mr. Smith is entitled to a lump sum payment equal to six months of his base salary. If Mr. Smith is a member of Converge's group employee health and insurance benefit plan(s) at the time of his termination without cause, Converge will continue Mr. Smith's benefits for a three-month period or, if not permitted by the benefits provider, Converge will continue Mr. Smith's health portion of his benefits through his entire statutory notice period under the *Employment Standards Act*, and would thereafter be required to provide Mr. Smith with a lump sum amount in lieu of his benefits premiums through the balance of the three-month notice period. If the foregoing termination would have occurred on December 31, 2021, Mr. Smith would have been entitled to receive a payment equal to an estimated \$110,000.

Mr. Berard is subject to non-competition and non-solicitation covenants, in each case, for a period of 12 months following the date of the termination of his employment, for any reason.

DIRECTOR COMPENSATION

Director Compensation

Converge’s director compensation program is designed to:

- attract and retain board members with appropriate experience and ability to effectively serve members of the Board;
- provide compensation that is competitive with compensation paid by publicly traded companies similar in size, industry and complexity; and
- reflect the responsibilities, time commitment and risks involved in being a director of Converge.

The Compensation Committee reviews the Directors’ compensation annually to determine whether the amount and form of Directors’ compensation aligns with these objectives and makes recommendations to the Board as appropriate. The Company’s executive director, Shaun Maine, participates in the Company’s executive compensation program and is not entitled to any additional compensation for his service on the Board.

Together with advice from Converge's independent compensation advisor, published third party compensation surveys and benchmarks of director compensation of a select peer group of Canadian and U.S. companies, the Compensation Committee will ensure directors are appropriately compensated for the responsibilities and risks involved in being a member of the Board. The Company’s independent Directors are not entitled to receive stock options or otherwise participate in the LTIP.

The following table sets out information concerning the compensation awarded to, earned by, paid to, or payable to, as applicable, each of the directors of Converge in respect of the financial year ended December 31, 2021. Converge provides no share-based awards, option-based awards, pension value and non-equity incentive plan compensation to its Directors. No travel fees were paid to Directors as no travel has been required of them.

INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

As at April 30, 2022, no Director, executive officer or proposed nominee for election as Director (or any associates thereof) are indebted to the Company or its subsidiaries, or to other entities if the indebtedness to such other entities is the subject of a guarantee, support agreement, letter of credit or other similar arrangement or understanding provided by the Company or any of its subsidiaries, and the Company has not guaranteed or otherwise agreed to provide assistance in the maintenance or servicing of any indebtedness of any Director, executive officer or proposed nominee for election as a Director (or any associates thereof).

STATEMENT OF GOVERNANCE PRACTICES

Director Independence

Currently, the Board is comprised of six Directors, four of whom are considered to be independent within the meaning of Section 1.4 of National Instrument 52-110 – *Audit Committees* (“**NI 52-110**”), being Brian Phillips, Nathan Chan, Ralph Garcea and Darlene Kelly. Thomas Volk is not considered to be independent due to the consulting arrangement he has with Converge and Shaun Maine is not considered to be independent since he serves as an executive officer of the Company. If the individuals nominated for election as Directors at the Meeting are elected, the Board will be comprised of seven Directors, five of whom will be considered to be independent within the meaning of Section 1.4 of NI 52-110.

The Company has taken steps to ensure that adequate structures and processes are in place to permit the Board to function independently of management of the Company. Since the proposed Chair of the Board, Mr. Volk, is not independent of the Company, Brian Phillips, an independent Director, has been appointed to act as Lead Director and to provide independent leadership to the Board. See “ – Position Descriptions” for a description of Mr. Volk's responsibilities as Chair of the Board and Mr. Phillips' responsibilities as Lead Director.

The independent Directors hold regularly scheduled meetings and portions of regularly scheduled meetings at which non-independent Directors and members of management are not present. Since the Company's last Annual General Meeting, Mr. Volk has served as a member of the Compensation Committee. Although Mr. Volk is not considered to be independent, given the smaller size of the Company's Board and the division of responsibilities for committee participation amongst the Directors and Mr. Volk's wealth of experience in the industry, Mr. Volk agreed to participate as a member of the Compensation Committee for a limited time. Following the Meeting, each of Converge's Audit Committee, Compensation Committee and Nomination and Governance Committee will be comprised entirely of independent Directors.

Board Mandate

The Board operates under the Board of Directors Mandate set out at ANNEX A to this Circular, pursuant to which it provides governance and stewardship to the Company and its business. The Mandate also describes the Board's responsibility for, among other things: participating in the development of and adopting a strategic plan for the Company; supervising the activities and managing the affairs of the Company; defining the roles and responsibilities of management and delegating management authority to the Chief Executive Officer; reviewing and approving the business and investment objectives to be met by management; assessing the performance of and overseeing management; identifying and managing risk exposure; ensuring the integrity and adequacy of the Company's internal controls and management information systems; succession planning; establishing committees of the Board, where required or prudent, and defining their mandate; ensuring effective and

adequate communication with shareholders, other stakeholders and the public; and monitoring the integrity and ethics of the Company.

and abilities as Directors, as well as ensuring that their knowledge and understanding of the Company and its business remains current. All of the independent directors have participated in ICD courses including Audit Committee Effectiveness, Human Resources and Compensation Committee Effectiveness, Enterprise Risk Oversight for Directors and Board Oversight and Strategy. Future offerings of the ICD are presented to the Board of Directors for consideration. Each new Director is also provided with a mentor from the Nomination and Governance Committee to assist in orientation.

Ethical Business Conduct

The Board has adopted a Code of Conduct (the “Code”) applicable to each Director, officer, employee and representative of the Company and its subsidiaries, including part-time, contract, and temporary employees. The Code provides a set of ethical standards for conducting the business and affairs of the Company with honesty, integrity and in accordance with high ethical and legal standards. The Code is available from Matthew Smith, the Interim Chief Financial Officer of the Company, at 161 Bay Street, Suite 2325, Toronto, Ontario M5J2S1.

The Code has been designed to define and clarify legal and ethical expectations for all Converge personnel and includes standards concerning ethical decision making and compliance, conflicts of interest, insider trading, timely disclosure commitments, confidential information, and ethical relationships with healthcare professionals. The Code also provides information about potentially challenging situations that may arise during the normal course of business.

The Nomination and Governance Committee is responsible for receiving reports from the Chief Executive Officer regarding breaches of the Code, and in turn reporting those breaches to the Board. The committee also review investigations and any resolutions of complaints received under the Code and reports annually to the Board thereon.

Nomination and Election of Directors

The Nomination and Governance Committee is responsible for, in consultation with the Chair of the Board and the Lead Director, annually or as required, recruiting and identifying individuals qualified to become new Board members and recommending to the Board new Director nominees for the next annual meeting of Shareholders.

Under the Nomination and Governance Committee charter, the Nomination and Governance Committee is responsible for, among other things, ensuring that an appropriate system is in place to evaluate the effectiveness of the Board, as well as the committees of the Board and individual directors, with a view to ensuring that they are fulfilling their respective responsibilities and duties and working together effectively; periodically reviewing overall governance principles, monitoring disclosure and best practices of comparable and leading companies, and bringing forward to the Board a list of corporate governance issues for review, discussion or action by the Board or a committee thereof; monitoring conflicts of interest (real or perceived) of members of the Board and management in accordance with the Company’s Code of Business Conduct and Ethics (the “Code”) and reporting to the Board on compliance with, material departures from, and investigations and any resolutions of complaints received under, the Code and approve waivers from the Code as the Committee considers appropriate, and where necessary recommend changes to the Board for approval; and overseeing the Company’s approach to appropriately addressing potential risks related to governance matters.

In making its recommendations for nominations to the Board, the Nomination and Governance Committee considers the competencies and skills that the Board considers to be necessary for the Board as a whole to possess, the competencies and skills that the Board considers to be necessary for each existing Director to possess, and the competencies and skills each new nominee will bring to the boardroom. The Nomination and Governance Committee also considers the amount of time and resources that nominees have available to fulfill their duties as Board members or committee members, as applicable.

The Nomination and Governance Committee may also recommend for Board approval the removal of a Director from the Board or a Board committee if he or she is no longer qualified to serve as a Director under applicable requirements or for any other reason the Nomination and Governance Committee considers appropriate.

Compensation

The Compensation Committee's purpose is to assist the Board in determining and recommending compensation for executive officers of the Company.

As outlined in the Compensation Committee charter, the Compensation Committee's responsibilities include, among other things, periodically reviewing and advising the Board on current trends in industry-wide compensation practices in the Company's industry and how the Company's compensation programs and practices compare to those of comparable companies in the industry; evaluating the Chief Executive Officer's performance in light of organizational goals and objectives, and making recommendations to the Board with respect to the Chief Executive Officer's compensation level based on this evaluation; reviewing and recommending for Board approval, the appointment and other terms of employment for the Chief Executive Officer, including the adoption, amendment and termination of such agreements, arrangements or plans; periodically reviewing and making recommendations to the Board with respect to succession planning matters concerning the Chief Executive Officer and members of senior management; reviewing and recommending for Board approval, the remuneration (fees and/or retainer) to be paid, and the benefits to be provided, to members of the Board and each of its committees; and considering the potential risks associated with the adoption of the Company's compensation policies and practices and the adoption of particular organizational and individual objectives under such policies and practices.

For more information about the process of determining compensation, please refer to the discussion under the heading "*Statement of Executive Compensation – Director and Named Executive Officer Compensation*" in this Circular.

Other Board Committees

The Board does not have any standing committees other than the Audit Committee, Compensation Committee and Nomination and Governance Committee.

Assessments

Consistent with the Nomination and Governance Committee charter, the Nomination and Governance Committee, in consultation with the Chair of the Board and the Lead Director are responsible for ensuring that an appropriate system is in place to evaluate the effectiveness of the Board, the Board committees and individual Directors, with a view to ensuring that they are fulfilling their respective responsibilities and duties and working effectively together as a unit. In connection with these evaluations, each Director provides his or her assessment of the effectiveness of the Board and each committee as well as the performance of the individual Directors. These evaluations take into account the competencies and skills each Director is expected to bring to his or her role on the Board or on a particular committee, as well as any other relevant facts.

Succession Planning

The Board is responsible for overseeing the succession planning processes of the Company with respect to senior management positions. At least annually, the Board reviews the succession plans of the Company for the Chair, the Chief Executive Officer and other executive officers, including the appointment, training and monitoring of such positions.

Director Term Limits

The Board has not adopted term limits or mandatory retirement policies to date but continues to assess whether or not they are appropriate. The Board is currently satisfied that there is a suitable level of Board turnover to ensure the ongoing addition of fresh perspectives and experience to the Board and that at this stage of Converge's development, these types of policies would not be appropriate. The Board considers that the imposition of term limits would discount the value of experience and continuity amongst directors, runs the risk of excluding experienced and valuable board members, and is therefore not in the best interests of Converge. The Board continues to periodically monitor and assess Director performance and analyzes the skills and experiences necessary for the Board and evaluate the need for director changes.

Diversity

The Board has adopted a written Diversity Policy as it recognizes the benefits that diversity brings to the Company. The Company aims for the Board and management to be composed of individuals who have a range of perspectives, insights

and views in relation to the issues affecting Converge. This belief in diversity is reflected in the Board and management's ongoing consideration of whether diverse attributes are sufficiently represented on the Board and management and is an important component of the selection process for new Board members and candidates for executive positions. The Company believes that diversity in the composition of its Board of Directors is essential. The Company does not discriminate against proposed Board applicants or candidates based upon race, colour, ancestry, national origin, gender, sexual orientation, marital status, religion, age, physical or mental disability, gender identity, results of genetic testing, veteran status, or any other protected status by federal, provincial or local laws. The Company will make every reasonable effort to ensure that all proposed Board applicants and candidates receive equal opportunity, including recruitment, selection, training and participation in its various Committees (including reasonable accommodation for qualified individuals with disabilities).

The Company complies with all applicable federal, provincial and local laws relating to Board membership as a matter of policy and practice. The Company's policy has always been to elect and to promote individuals solely on the basis of merit and their ability to perform, and to comply in this respect with all applicable laws. All new Directors are recommended to participate in the Company's Discrimination and Harassment Prevention Training upon election.

The Company will seek to reasonably accommodate qualified individuals participating at the Board level with a known disability, including compliance with legislation such as the *Accessibility for Ontarians with Disabilities Act*.

If any Board member believes that they been subjected to unlawful discrimination, such Board member is advised to immediately inform the Lead Director and/or Board Chair, as appropriate. All concerns reported will be investigated.

The Board is committed to fostering, cultivating and preserving a culture of diversity and inclusion in its Board membership. As with any employee of the Company, human capital is the most valuable asset the Company has. The collective sum of the individual differences, life experiences, knowledge, inventiveness, innovation, self-expression, unique capabilities and talent that the Company's employees invest in their work represents a significant part of not only Converge's culture, but its reputation and achievement as well.

The Board embraces and encourages Board applicants' and candidates' differences in age, colour, disability, ethnicity, family or marital status, gender identity or expression, language, national origin, physical and mental ability, political affiliation, race, religion, sexual orientation, socio-economic status, veteran status, and other characteristics that make the Company's employees unique.

The Board's diversity initiatives include, but are not limited to, its practices and policies on Board recruitment and selection; professional development and training; recruitment for and participation in its various Board Committees, in each case built on the premise of gender and diversity equity. Each Board member has the responsibility to always treat all other Board members with dignity and respect. All Board members are expected to exhibit conduct that reflects inclusion in all respects and to extend this conduct to the Company as a whole, thereby fostering inclusion to all employees of the Company.

Converge maintains its commitment under its Board Diversity Policy to attain Board composition of at least 30% gender diverse directors at or prior to Converge's next annual general meeting and has identified a qualified individual to serve as its seventh Board member. If such Board member is elected by the shareholders of the Company, the Board would consist of two female Board members (28.6%), one member of a visible minority (14.3%). No Indigenous persons and no persons with disabilities are members of the Board.

The Company does not have a formal target regarding members of designated groups in executive positions, however the Board and management are mindful of the importance of management diversity and feel that the issue is being properly addressed without the need for additional targets. The Company ensures equal opportunity for all employees. Women are currently well represented in management. There is currently one woman in an executive officer position with the Company and women represent 18% of senior management positions of the Company (other than executive officers), including its major subsidiaries. The Company currently is not aware of any persons in senior management who self-identify as Indigenous persons. Persons with disabilities represent 1% of senior management positions of the Company, including its major subsidiaries and members of visible minorities represent 8% of senior management positions of the Company, including its major subsidiaries.

Environmental, Social and Governance (ESG)

Diversity, Equity and Inclusion (DEI)

Converge believes that the Board and the Company as a whole benefit from a broad range of perspectives and experiences. As such, the Company values the importance of diversity including by race, colour, ancestry, national origin, gender, sexual

orientation, marital status, religion, age, physical or mental disability, gender identity, results of genetic testing, veteran status, or any other protected status by federal, provincial or local laws. The Company cares deeply about creating a diverse and inclusive environment for its skilled employees in which they can thrive, deliver compelling innovations to the Company's customers and create shareholder value. Converge has introduced the following diversity, equity and inclusion ("DEI") initiatives to both support the strong foundation of Converge's corporate culture and promote employee wellness:

- *Diversity and Inclusion Program.* The Diversity and Inclusion Program at Converge was created in support of Converge's belief that employees are its greatest assets. The Company believes that a bias-free and diverse work environment not only fosters a culture of equality, but also creates value across the entire organization. The program is overseen by the DEI Council, which comprises both management and employees. The Council provides a space for open discussion and education. In addition, the Council is tasked with reviewing policies, handbooks and developing strategy within our recruiting efforts.
- *Women for Women.* Women for Women was created to give self-identifying females at Converge a voice and the time to invest in leadership development, while receiving professional advice from female executives and fellow employees. Initially this effort will provide our female employees a space to discuss challenges, share ideas and advice. Our goal is to build a mentorship program that enables true development and allows for growth as opportunities arise.

Consistent with the Company's Diversity Policy, Converge recognizes that diversity and inclusion, as informed by the above-mentioned values and initiatives, are evolving goals and the Company works under the guidance of its Nomination and Governance Committee to implement robust evaluation and nomination processes designed to address the Company's commitments. Diversity is actively considered in the Company's succession planning and leadership appointments and the Board continuously discusses its approach to targets to ensure the Company is formally recognizing the talents of, encouraging and promoting people from diverse and underrepresented groups at Converge. See "*Status of Governance Practices – Diversity*".

The Environment

Converge's commitment to the environment and to tackling climate change is strong despite not operating in a carbon-intensive business. Converge promotes sustainability by guiding its clients, through its internet telephony service providers and otherwise, toward environmentally-sound technology, such as cloud-based solutions that are reputed to use less energy than traditional infrastructures. Wherever possible, Converge also encourages and promotes the efficient use of energy and natural resources through its own operating practices, including via programs focused on waste reduction and recycling at each of its offices.

Business Conduct

Converge is committed to conducting its business ethically and in compliance with the letter and spirit of all applicable laws, including but not limited to anti-bribery, corruption, insider trading and anti-money laundering laws, from a broad array of countries, including the United States, Canada and the European Union to ensure ethical business conduct relating to the transfer of goods and services. Converge is further committed to conducting its business fairly, promoting fair competition, and holding itself accountable for its own ethical practices. The Board's written Code of Business Conduct and Ethics applies to all directors, officers and employees of the Company and promotes the Company's commitment to ethical business conduct throughout its operations. See "*Status of Governance Practices – Board Mandate – Ethical Business Conduct*". See also the Board of Directors Mandate set out at [Annex A](#) to this Circular.

Data Privacy and Information Security

Converge has long maintained industry best practices for incorporating data and privacy protection into its day-to-day activities, including the products and services the Company offers. Converge has implemented a wide range of measures including security consulting, identity and data protection, incident management, security intelligence and analysis and security remediation to ensure the availability, integrity and confidentiality of data.

Culture

The rate at which Converge completes acquisitions may be perceived as a potential challenge to successful integrations and a barrier to consistent culture. However, the Company strives to create synergies and capture opportunities for adopting meaningful policies, processes, and initiatives already in place at its subsidiaries to positively impact the culture at Converge. The Company strategically pursues targets with complementary corporate values and seeks to build from exemplary environmental, social and governance ("ESG") policies that put people and the environment first.

Risk Oversight

The Board is responsible for maintaining a meaningful level of oversight and accountability for Converge’s material environmental and social impacts. This includes environmental and climate impacts; DEI; human capital management; culture; ethical business conduct; stakeholder relations; health and safety; and data security. The Board actively oversees management’s implementation and operation of ESG risk management, both directly and through its committees, which report to the Board in accordance with their respective charters.

The Board and its respective committees are continuously identifying and reviewing risks Converge may face and work to address such risks with discussions that center on actively maintaining a diverse workforce and positive work culture, promoting the health and safety of its employees, engaging with stakeholders to identify any material concerns, appropriate crisis preparedness, business continuity, information system controls, cybersecurity, disaster recovery plans, the appropriate degree of risk mitigation and risk control, overall compliance with and the effectiveness of the Company’s risk management policies, and potential residual risks remaining after implementation of various risk controls. In addition, each committee reviews and reports to the Board on risk oversight matters that are within the scope of their responsibilities. The Audit Committee oversees risks related to Converge’s accounting, financial statements and financial reporting process. The Compensation Committee oversees risks which may be associated with Converge’s compensation policies, practices and program, including with the aid of external compensation consultants. The Nomination and Governance Committee monitors risk with respect to the effectiveness of the Board, and considers aspects such as succession planning, Board composition and the principal policies that guide the Company’s overall corporate governance.
